Malcolm Knapp Research Forest Insect BioBlitz

The Entomological Society of British Columbia and the University of British Columbia's Malcolm Knapp Research Forest invite you to participate in an Insect BioBlitz event

Where: Malcolm Knapp Research Forest, Maple Ridge, British Columbia. See map below for the designated survey area. Parking is available at the main entrance to the Research Forest. Directions are available at: https://www.mkrf.forestry.ubc.ca/about/directions/

When: 9 AM–6 PM on Saturday July 5th and Sunday July 6th, 2025. Observers may participate for any amount of time during the event hours.

How: Participants join the Malcolm Knapp Research Forest Insect BioBlitz **iNaturalist project** at: <u>https://www.inaturalist.org/projects/malcolm-knapp-</u> research-forest-insect-bioblitz and upload observations of insects and other arthropods. Observations can include photographs and sound recordings, and documentation of collected specimens (depending upon individual knowledge and capacity). Qualified iNaturalist identifiers are encouraged to participate.
